Borders Competitions Jim Clark Rally 2025

Supplementary Regulations

Welcome to the 2025 Jim Clark Rally. We are delighted that the rally continues to be based in the Scottish Border town of Duns and thank the town for making the event so welcome. We would also like to thank our title sponsor Borders Competitions.

The Jim Clark Rally Committee continue to meet with Scottish Borders Council and Safety Advisory Group partners to bring you this year's event. Without the support of our local communities the event would not be possible.

The event relies upon the selfless efforts of hundreds of trained volunteer marshals from all parts of the UK, our local community, the police and emergency services. No marshals, no rally. We owe them all grateful thanks.

Please be safe by abiding by the Safety Code and by following marshals' instructions; their job is to deliver a safe, enjoyable and professional rally which will leave you wanting to come back next year.

Finally, to all of you - drivers, co-drivers, service crews and team supporters, thank you for your continued support of the Jim Clark Rally. The organising team wishes you a great and safe weekend!

Prof. Dan Wright MBE
Chairman
Jim Clark Memorial Motor Club

5. Competitors will be issued with Reconnaissance Identification Plates by post, which must be fitted to the top left of the front windscreen of the vehicle as viewed from inside the car. All speeds reported by the Sporttraxx tracking app will be deemed to be accurate.
6. Instructions for Reconnaissance will be available to download from the competitor's section of the Sportity App.
7. Competitors are reminded of the requirement to adhere to Road Traffic Regulations at all times, Police Scotland are aware of the arrangements for Reconnaissance and will have patrols checking driver behaviour. Given the nature of the roads and to prevent PR issues with residents, there is a speed limit of 40 mph (64 km/h) on Special Stages during Reconnaissance unless a lower limit is specified.
8. During the reconnaissance period the Police and organisers will arrange speed checks and general patrols of the Special Stages and roads used.
9. Should any competitor come to attention of the Police or organisers as driving in a manner incompatible with general safety, and/or departing from the standard of a reasonably competent driver, the following penalties will be strictly applied: -
 - First infringement – Fine £200.00
 - Second infringement – Start refused and entry fee forfeit
10. Notification of this penalty will be made to competitors at the earliest opportunity.
